## 25-Year Glass Breakage Warranty Coverage

This glass breakage warranty is in addition to product warranty and extended to the original homeowner. This warranty is subject to the terms and conditions put forth in this certificate for the replacement window(s) installed at the address listed below.

If an insulated glass unit should break within 25 years from date of purchase, then Wincore Windows, LLC will send an IG unit or replacement sash at no charge to the original homeowner.

- Warranty is limited to furnishing the replacement glass unit and/or sash only.
- Wincore will not be responsible for any costs for removal or installation of the new glass panel or sash.
- Wincore will not be responsible for any damage to household items or structure resulting from damaged glass. Additionally, Wincore will not be responsible for glass damaged from fire, flood, earthquakes, lightning, ice, windstorms, hail, or other acts of God.

The warranties set forth in this certificate are the only express and implied warranties extended by Wincore Windows in conjunction with glass breakage. The remedies in this certificate shall constitute the original homeowner's exclusive remedies and Wincore will not be liable to the homeowner for incidental or consequential damages for the breach of any express or implied warranties in connection with the insulated glass units or windows. No modification or change to the warranty will be effective unless set forth in writing from an officer of Wincore.
