## UNIFIED DESIGN: IT STARTS WITH COLOR

Exterior design revolves around how we choose and combine color. What's trending is as important as what speaks to you, and we help make sense of every aspect of it. # ENJOY

## MAINTENANCE FREEDOM

Materials like wood, engineered wood and fiber cement require painting at some point in their life cycles. By contrast, every Elm Grove™ style and color requires very little upkeep and no painting.

- **Virtually maintenance free**
  - **Never needs painting**
  - **Won't flake, chip, rot or sag**
- 

# LONG-TERM

## PEACE OF MIND

Another point of differentiation: our Double Lifetime Warranty fully covers the first and second owner, while other vinyl manufacturers often prorate their warranties for the second owners. The innovation inherent in Elm Grove™, backed by our warranty, translates into more peace of mind and higher resale value.

- **Industry-leading Double Lifetime Warranty**
- **Strong resale value**
